Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner noted that the proposed amendment filed 3/9/04 would not be entered because it created new independent claims which would not incorporate all the elements that would make the original independent claim 1 allowable if it incorporated claim 19. It was agreed to incorporate claim 19 into claim 1 and cancel claims 1-11 and 19 and then allow the application to issue. The changes will be done by examiner's amendment.
